

Host a Screening of Power of Play

Continue to be part of building a brighter future for Liberian children by helping us raise awareness about L.A.C.E.S. Host a screening of the film in your home. Below are a few ideas that we think would be helpful in getting started. Feel free to email us at hello@powerofplayfilm.com or call us at 765-729-0568 if you have any questions or if you need additional information. We are more than excited to support you in making your screening a success.

4 Easy Steps

1. **Get a Copy of the Film.** If you have not done so already fill out the online form to [Host a Screening](#) and we will send you a copy of the film.
2. **Invite** your friends and family for a movie night. We recommend sending out email invitations. Contact us at hello@powerofplayfilm.com and we will provide you with a customized email invitation or check out digital invitation options such as paperless post, or evite.
3. **Show the film Power of Play.** Make some popcorn and show your friends how soccer is more than a game. *Power of Play* is a 52 minute film documenting the work of L.A.C.E.S. in Liberia. Through personal stories you will experience how a once war-torn country is being transformed through the power of sports.
4. **Ask others to get involved.**
 1. After the showing go to [EVENTS](#) and then HOST SCREENING on the films website and tell us how it went, and any feedback about the film. You will also be able to include in the feedback form your guests name and email addresses. Your guests will receive an email from us thanking them for attending and more information on how they can get involved. (i.e. signing up for our monthly e-newsletter or hosting a screening themselves.)
